

Dear Parents,

“Take pride in how far you’ve come. Have faith in how far you can go. But don’t forget to enjoy the journey.”

We have reached the end of yet another school year like no other. Despite all of the many changes, our students and staff have persevered together and grown stronger as a result.

As we come to the end of this very unique and challenging school year, I would like to take a few moments to acknowledge the effort of staff & students.

Teachers have been challenged to adapt lesson delivery approaches to keep students engaged. Support staff have all taken on additional roles and responsibilities to assist students in the Cultural & Co-curricular activities planned during the year.

Students have also supported one another both socially and emotionally. And parents, guardians and caregivers have been there every step of the way to support their children and the school staff. It has definitely been a team approach that has allowed the school community at NPS Whitefield to maintain focus.

As we wind down the year, I would like to take this opportunity to wish our grade 10, success in the Board Exams.

I would also like to acknowledge the staff who will be leaving NPS Whitefield at the end of the school year. I wish you best of luck and thank you for the lasting impact you’ve had on the staff and students of our campus.

As we prepare for the next Academic year, we are excited to welcome our incoming grade 11 students. In addition to our returning staff, there will also be new faces on the staff roster next year.

It was wonderful to see the high achievement and growth of so many of our students. Congratulations to all award recipients. Thank you to the many staff involved in organising, running and supervising the many events, performances both at school and at the Interschool level.

With that, I would like to wish students, parents & caregivers, and school staff a safe, restful and rewarding summer. Hopefully we will all get the opportunity to spend quality time with family and friends and come back to school with a sense of rejuvenation.
